August 25, 1970

Mr. Steve Sprague
8th & Elm
Coffeyville, Kansas.

Dear Sir:

Per information submitted by you, concerning reception of Radio Station KMDO, Fort Scott, Kansas, operating on daytime hours, 1600Khz with an assigned output power of 500watts, I am pleased to herewith verify your report.

Information submitted by you has been checked with our station operating log of that date, 24 Aug 70, and found to be correct and accurate.

Sincerely,

George F. Province
George F Province
Chief Engineer.
