

KVSF THE RADIO STATION 1260

August 2, 1981

Mr. Steve Sprague
811 E. 10th
Coffeyville, KS 67337

Dear Steve:

My sincere apologies for the delay in replying to your reception report dated April 12, 1981.

This letter will confirm your reception of Radio Station KVSF, 1260khz, Santa Fe, New Mexico between 7:57pm and 8:06pm CDT on April 12, 1981.

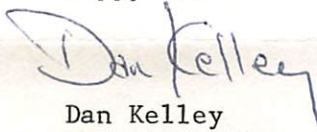

For your information, KVSF operates with a non-direction daytime power of 5000 Watts and a non-directional night power of 1000 Watts. KVSF broadcasts contemporary music and news daily from 5:45am to 2:00am the following morning, Monday through Saturday and from 6:30am to 12:00 midnight Sundays. KVSF is affiliated with NBC's SOURCE network.

KVSF schedules a tone/voice id transmission for the purpose of frequency measurement on the second Monday morning (Sunday night) of each month between 12:15am and 12:30am local mountain time.

Steve, many thanks for your report and again an apology for the long wait! Let us know if you hear KVSF again.

Lwe

Happy 'DX
