Dear Mr. Sprague:

This will confirm your report of reception of KWON on Sunday, February 14, 1982, from 10:58 a.m. to 11:10 a.m.

The program material you cited in your report was broadcast at that time.

During the time you reported reception, KWON was operating with 1 kw non-directional. I would be most interested in hearing from you sometime on any nighttime reception of KWON. From sundown to midnight we operate with 250 watts non-directional.

Yours truly,
