Dear Steve:

I am sending this response to your report dated September 12, 1980, in which you ask for verification.

A check of your report against our station log confirms that you heard our station last Friday. We are very pleased that our signal strength was good in the Coffeyville area and to hear that you received no fading or interference in your reception. In checking our station log, we are glad to acknowledge and confirm that you heard Radio Station KWPR, originating from Claremore, Oklahoma on a frequency of 1270 Kc., on Friday, September 12, 1980 at and near 2:30 p.m..

I hope that this confirmation will help in your quest for one or more certificates of achievement, and the best of luck is my wish for you in your endeavors of the future.

Sincerely yours,

Mike Warren
