AM: 50,000 Watts, 24 Hours
FM: 100,000 Watts, Full-time Stereo

Dear Listener:

This confirms your reception of WLAC RADIO on
May 11, 1975 at 8:25-8:48pm CDT.
WLAC RADIO began operation on November 24, 1926.
Our station's 50,000 watts power sends a signal
throughout at least half the globe. DXers write
us from European countries, from nations in Central
and South America, from Australia and New Zealand,
and from island countries in the Atlantic Ocean and
the Caribbean Sea.

Thanks for tuning us in. Hope you will make a
habit of it.

Sincerely,

A handwritten signature in cursive script that reads "Everett Lawson".

Everett Lawson
Chief Engineer
