OMAHA 7, Nebraska, U.S.A.

Re: Reception Report Number 60-94

Dear Ernest:

Very pleased to receive your letter concerning the reception of Radio Station CJCA.

Confirming your report of reception: 9:46 p.m. to 10:04 M.S.T., on September 12th., 1960:

Antenna: two vertical radiators: 265 feet high.

Continental Transmitter.

10 K.W. non-directional day pattern.

5 K.W. directional night pattern.

Enclosed please find Contour Map, and we hope the above information meets your satisfaction.

Yours truly,

\_\_\_\_\_  
GORDON SKUTLE  
Technical Engineer  
CJCA.
