

CKXL Ltd.

210 - 9th Avenue, S.W.,
Calgary, Alberta,
CANADA.

Dear Sir:

Thank you for your reception report. We are pleased to verify your hearing CKXL at the time indicated.

CKXL operates with a power of 10,000 Watts day and night with night-time radiation primarily directed North.

We are always interested in receiving reports from listeners and trust that you will hear CKXL again in the near future.

Yours truly,

Mel Hoyme

M. Hoyme,
Chief Engineer.

MH/sm

P.S. - Thank you Mr. Wesolowski for your reception report. Your report of Monday, Jan 27/64 at 1:45 to 2:00 AM - (M.S.T.) on 1140 K.C.s. is completely correct in every respect.

Thanks again for listening
Mel Hoyme
