Dear Mr. Wesolowski:

We were happy to receive your letter concerning your reception of radio station WDIG, on Monday, August 11, 1976. This letter will confirm your reception of our frequency check.

Enclosed are several bumper stickers, plus a copy of this weeks Dothan Rock 30 Music Survey. WDIG Radio is 1000 watts days and 250 watts nights. We program music 24 hours a day, seven days a week.

In your letter you stated a member of your radio club had received a letter from me. I don't remember writing the letter but am curious as to who did.

Should you have any further questions, please don't hesitate to contact us.

Very truly yours,
WDIG, Inc.
