Dear Ernest:

You're right! WGEA, 1150 KHz was on the air from
12:31 A. M. until 12:47 A. M. Central Daylight Time.

We are located on Radio Hill overlooking Pea River.
Our antenna is 210 ft. We have Collins and CGA
Transmitters. Our Boards are CRG's.

At the present time we are in the process of
changing our rate cards; therefore, we do not have
any available.

Thank you so much for taking time out to let us
hear from you.

Yours truly,

GENEVA COUNTY BROADCASTING CO., INC.
