Dear Mr. Wesolowski:

Thank you very much for your reception report of WHRT for January 18, 1976 at 6:45 AM. Your report is correct with our station logs. I find this amazing since we are only 250 watts--but then again, radio is truly amazing in itself.

Enclosed please find a copy of our coverage map, which also gives additional info about our station. We do not have any bumper stickers available. Thanks again for your report.

Best regards,

George Carden
