Dear Earnest:

This will confirm your reception of WTCB on December 24, 1959 at 2:32 am CST, on 990 kcs.

We have no certain time for our Frequency Checks each month, you heard a routine Equipment Check by our C.E. Our Tower is located 200 yards from the Xmitter 206' High, and we have a 500 watt Collins Rig.

Hoping this is the desired information, I remain,

Yours Truly,  
*Bill*
