Re: IRCA Inquiry of 10/15/75 F/up #3

Dear Sir:

In the interim since your first letter in October of 1974, KPBA has been purchased by Mr. Doug Moulds and others of Mississippi. We began official operations in Pine Bluff on Nov. 1st, 1975.

I discovered your letter on file and am taking this opportunity to confirm and verify your data. I hope this reaches you before your departure for our "neck o the woods" at Thanksgiving. We would welcome you to Pine Bluff and to our station. Please find enclosed a coverage chart of THE RADIO.

Sincerely,

Jim Hester
Program Director
