Dear Sir:

This is to acknowledge your receipt of the broadcast of Radio Station K P O C on the morning of April 17, 1967, 5:05 to 5:10 AM CST.

The station is supposed to sign on at 5:00 AM but I usually fail to get on the air on time.

We DO sign-on and sign-off with the National Anthem.

The station is equipped completely with Gates Equipment. Our transmitters is a BC-1F. The Console is the Gates Yard. It drives a Level Devil, which drives the Gates Limiter. The station tower is 200' tall and stands about 20' from the transmitter which is directly coupled to the tower.

Thank you very much for your report of our reception and good DXing.

Yours truly,

Jack Wilson
