

KTCG

1610 on top of em all

Dear Ernest,

Thanks a heap for your report of reception of KTCG, the Top Country-Gospel station here in Sassaville, Arkansas, and we are mighty pleased to confirm it, it is hereby verified.

You must have some powerful equipment to get us way up there in Nebraska! It does our hearts real good that you're a genuine country-music lover.

Sincerely yours
Wally Ballew
Chief Engineer
