Mr. Ernest J. Wesolowski  
1416 Pasadena Avenue  
Omaha, Nebraska 68107

Dear Mr. Wesolowski:

Thank you for the reception report of our station.

We are pleased to confirm your contact of September 2, 1976, from 6:30 to 7:30. p.m., CDST, and to verify the programming you noted beginning with the 6:30 Arkansas News through the sign-off announcement.

KUOA is owned and operated by John Brown University, a non-denominational Christian school and is located at the campus edge, right on the Arkansas-Oklahoma border. Both Am and FM transmitters are at the base of a 455 foot tower, are are remotely controlled from the studio. The enclosed booklet will give you an idea of our institution; also enclosed are the map and rate card you requested.

If your hobby should lead you into amateur operating one of these days we might contact you through the school's Ham Club station, WA5YJV.

Again our thanks for sending the report.

Yours sincerely,

A handwritten signature in cursive script that reads "Hugh Lineback".
