KDJI-1270,
Holbrook, Arizona

Dear Sir;

This is to verify your reception of our frequency checks on the night of April 11, 1960

We does not have any coverage maps available as yet, we are getting some made.

Our transmitter is located on Highway 66 2 miles west of Holbrook. It is 180 ft high.

I was making a frequency check for T+T Radio Measurements Co. in Long Beach, Calif.

Thank You very much for your letter

Yours truly
Fred Mull
