Dear Mr. Wesolowski,

I am very sorry it's taken me so long to reply to your letter of March 14, 1975. This is to verify receipt of your letter and follow-up report and your reception of KHIL on Tuesday, December 17, 1974.

We are new owners of KHIL. We just took over operation of the station last Wednesday and have had technical problems since like you wouldn't believe. A fire in the station, being knocked off the air twice and have our reel to reel recorder and a cart machine go out on us is just part of our problems. And since the previous owners did not acknowledge either of your reports, I knew you would be anxious to hear from us soon.

Since we are brand new, we do not have any printed rate card or coverage map, but we should have these by next week, and when we get them I'll mail you one.

I find your hobby very interesting and think it's quite remarkable that you received our station. Best of luck to you and your fellow club members.

Yours very truly,
