Dear Mr. Wesolowski:

Thank you for your reception report of February 1st. Yes, KPGE was testing on the date and time you indicated.

KPGE has been on and off the air for a number of years under at least two ownerships. Lake Powell Communications purchased the station and received approval from the FCC on October 1, 1971. We operate from 6 A.M. until 10 P.M. Sunday through Thursday and 6 A.M. until midnight on Friday and Saturday @ 1,000 watts days and 250 watts nights.

I have enclosed our local rate card, we do not have a coverage map available, but I have taken the liberty of contacting the chamber of commerce on your behalf. They should forward you some material on the Page area.

Sincerely,

Charles R. Walters,  
Station Manager
