Dear Mr. Wesolowski,

Your reception report of this station on
January 31st is correct.

We operate with two towers spaced approxi-
mately a quarter of a mile apart and 280 feet high,
with a power of 5,000 watts.

Our studios are located in the Grosvenor
Hotel and the transmitter on Lulu Island which is
ten miles south east of our studios.

We do not have copies available of our
coverage map as we are anticipating a power increase
in the near future.

Thanking you,

Yours truly,
CJOR LIMITED,
