Dear Sir:

This is to verify your reception of our station on the 20th day of September, 1960 at the hour of 12:17-12:30 am MST while we were conducting a frequency check with Commercial Radio Monitoring service of Kansas City, Missouri.

I am enclosing the coverage map you requested. In answer to your question, our tower is located at the southwest end of Pueblo on low ground near the Arkansas River.

Thank you very much for your reception report.

Cordially,

John T. Roscoe
