Dear Mr. Wesolowski;

I am pleased to verify the fact that you did hear KPIK on the evening of April 11th, of 1959. We ended our sign off at 6:32 as stated in your log. KPIK, on 1580 kcs uses 5000 watts of power from sunrise to sunset daily.

Thank you for the information that you gave us about frequency.

I thank you again.

Our studios are located in the Mayfair Hotel in downtown Colorado Springs.
