Dear Sir:

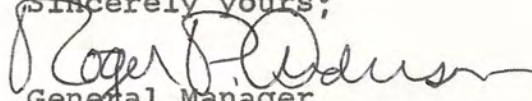

This is to verify your reception of Radio Stations
KRKS on August 30, 1972 from 7:54 to 8 PM MST.

Also this will verify your report of our old call letters
of KLIR Radio on September 28, 1971 from 6:58 until our Sign-
off at 7:15pm MST.

Our frequency is 990 KHz and our power is 1000 watts.
The studios & transmitter are located on the SW side of Denver.

Thank you very much for your reports.

Sincerely yours;

General Manager
