Dear Mr. Wesolowski :

Thanks so much for your letter concerning the reception of KSTR in Omaha , Nebraska , Saturday 9/2/72 -7:23-7:30PM MDT.

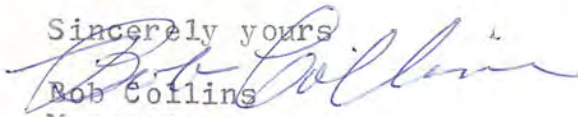

Everyonce in awhile we get a surprise letter from some distant point . Alaska was one place not too long ago and we were heard there in the morning .

Two weeks ago when I drove to Pueblo, Colorado which is 300 miles from Grand Junction and on the Eastern Slope of the Rockies , I listened to us for 30 minutes between Canyon City and Pueblo on my car radio . Not good but I was able to distinguish what was going on . Canyon City is 250 miles from here .

I imagine the man's name you heard on the sign-off was David Kelly .

Thanks again for your letter , enclosed you will find a copy of our coverage map .

Sincerely yours

Bob Collins
Manager
KSTR Radio

P.S. No night time frequency checks . All information on your report was correct with the exception of the announcers name.
