Dear Mr. Wesolowski:

Thank you very much for your report of having heard KUBC sign off on September 16, 1973 at 11:08 P.M. Mountain Daylight Time. It is my pleasure to provide the verification you requested. The information you forwarded is correct.

I have been an amateur radio operator for many years and am, of course, familiar with the QSL, but this is the first request we at KUBC have had for a Commercial QSL.

For your information, I am enclosing our coverage map. Thank you for your interest and report of KUBC.

Very Truly Yours,

Melvin W. Topliss
Operations Manager
