Dear Mr. Usolowski-

This is to confirm your reception of our station 9/27/72. Checking our logs, our previous previous Engineer did conduct a transmitter freq. check on the 27th.

As to the test tone, WBSR uses Claude Gray as consultant engineer, and he requires a telephone dial tone as a tone.

Thank you for your report and best wishes for the New Year. Merry Christmas.

Cordially.

Chas. Lynite, Jr.  
WBSR Engineer
