Dear Sir:

Concerning your reception report of August 10, 1972,
I am pleased to confirm that all items you listed
are accurate. We are on the air the second Thursday
of every month from 0100 - 0115 CDT/CST for our monthly
frequency measurement test. I am sorry we did not
receive your last letter. No, WPCF sustained no damage
from hurricane Agnes.

I am enclosing a coverage map for your use, and we thank
you for your interest.

Sincerely,

Reed Kinney,
Asst. Engineer
