Dear MR. WESOLOWSKI

We received your very fine report today concerning our
Radio Station ZFB-1. *on January 14, 1963*

Let me say that we started broadcasting on August 29, 1963,
on 960 kes. signing off at 2:00 A.M. on Sundays, and commenced
all-night broadcasting on November 19, with a power out-put of
one thousand watts-(effective radiating 870 watts).

Checked log and am verifying your report.

Once again we thank you very much for the line.

Yours sincerely

M. Sheppard
