Dear Sir:

Thank you for your letter and your signal report from Omaha. Your letter, along with that from Neil G. Zank, were the farthest two confirmations I received.*

I was on the air for the benefit of the National Radio Club from 1:28 to 2:05 AM EST on Monday, February 12, 1979. Sorry you did not get to hear more of our broadcast, but you sent me enough information for me to know you had to be listening to W.J.T.H.

Enclosed is the bumper sticker and coverage map you requested.

W.J.T.H. is proud to be a part of your collection.

Sincerely,

John G. Cunningham

*PS. Since typing your letter, I have received one from Colorado, making it the farthest confirmation I received.
