"THE GREAT ENTERTAINER"

80-02-16 Ernest J. Wesolowski

Thank you for reporting your reception of WROM, 710 kHz

on February 18, 19 80 at 1:58 AM EST.

WROM, Rome, Georgia broadcasts with pre-sunrise authority until local sunset on the clear channel frequency of 710 kHz with a power of 1,000 watts. Our program format is contemporary MOR music.

Rome is located in northwest Georgia, with a metro population exceeding 78,000, and is the trade center for a 7-county area.

WROM utilizes a Harris MW-1A solid-state transmitter and a 288-foot tower. Programs originate from studios at 710 Turner McCall Boulevard. The studio equipment is multi-channel for ease in future AM stereo operation.
