Dear Mr. Wesolowski:

This is to verify your reception report of February 13, 1978 from 1:10 to 1:30 AM Eastern Standard Time. We were on the air at this time testing our transmitter.

I would like to thank all the members of the National Radio Club who heard our Test. We did receive over 60 letters from you fellows from all over the country.

This station operates on 1570 KHz., with a power of 5000 watts, Daytime. Our studios and transmitter are located at 2424 Old Rex Morrow Road in Morrow, Ga.

Thank you for your interest in WSSA Radio.

Sincerely,
