Dear Mr. Wesolowski:

This is to confirm your reception of KBIZ on 1240 KZ on Saturday, April 22, 1972 from 12:16A to 12:30A CST.

I checked with the Engineer at KLEE and they advise that they no longer have a fixed schedule for frequency measurements. As a rule it is shortly after midnight on the last week of the month. (They will run this check in next few days.)

Good luck and lots of DX

Yours truly,
