This is the first time in my six years of DXing that I have heard KCHA from Omaha. Your signal was very strong. Station KDSN in Denison, Ia, use to be heard, but last year they changed frequency to 1530. Are you now using lkw?

May I please have a verification of reception, typed on your KCHA-letterhead, stating the date & time of this report. Do you also have an extra COVERAGE MAP available? Where is your transmitter located from town?

I thank you very much for your interest in our hobby of DXing. The best is wished to you and your station. 73's.

Readabilty was 100%.

Receiver: National NC-183D 17 tubes Signal strength: Meter S/ 9; steady

Antenna: Single wire, 100' inverted "L". 15' above ground.
