Dear Ernest:

This is to confirm your reception of KCRG Radio on Thursday, January 21, 1960 from 11:26 PM to 11:41 PM CST.

KCRG Radio operates on 1600kc, 5kw daytime non-directional, 5kw night-time directional.

We use three towers about 400' high while on directional pattern. The pattern favors the Northwest. The transmitter site is located about eight miles east of Cedar Rapids.

I am also enclosing a confirmation card.
