Dear Sir;

First, my sincerethanks for your recent letter, reporting our signal. I certainly appreciate the information.

KLBA operates at 500 watts, 1370 khz, from 6 AM until sundown. Our formate is modern country music, local news and information. Our staff consists of a news director, three dj's who double in sales, one full time office girl, one part time announcer and myself.

We have been on the air one year November 2nd. We serve an eight county trade area.

Thank You again. Keep in touch.

Sincerely,

Larry Heaberlin
