Dear Sir:

I am very sorry that I haven't answered your letters before now. I always try to answer all reception reports. Somehow I must have overlooked yours.

I looked through my files and I find that I have only one other report from you. The information on both your reports that I have was found to check with our logs.

Once again, Ernest, I'm so sorry you have had to write more than once. I like to receive these reports and answer them all, to the best of my ability. I received a couple from New Zealand a while back. Those are the farthest points I have heard from.

Sincerely,

Lyle Newman  
Chief Engineer.
