Re: Reception Report

Dear Mr. Wesolowski:

I am pleased to confirm your reception of KSNN-AM Radio:

Sunday, November 28, 1976  
5:11 - 5:16 P.M. MST

KSNN-AM operates with 1,000 watts of power on the 1290 frequency.

Within the past ten (10) days, I had received one other report from Omaha, and one from Lincoln.

In the 'its-a-small-world-catagory', the former owner of KOIL: Don Burden is originally from Pocatello.

Good listening, and thanks for the report.

Cordially yours,

Dan Libeg
