Dear Mr. Wesolowski,

Thanks for your report of our reception in Omaha, Nebraska, on Tuesday, August 16, 1960.

This letter will verify your reception on the above date at 2:14 AM to 2:31 AM. Central Daylight Time on 910 KCs.

Your report will help us in determining many factors in the event we ever decide to go nighttime operation.

The tape you made interests me very much. Would it be possible for us to get a copy of it or a loan? In any event we could furnish the tape.

As for the towers, we have 2 towers in a line 30° East of North phased at 42°. These towers are 248 ft. above ground.

The WAKO studios and transmitter are located together about 2 miles East of Lawrenceville., Illinois on US HY 50.

Enclosed is the coverage map you requested. If you ever are in this area, please stop in for a personal tour. Thanks for your report and interest in WAKO. Hoping to hear from you again,

Very truly yours,

Wayne Schuler
