Dear Sir:-

Your inclosure for verification is very accurate, the announcer is Ed Dodson... W.B.B.A. "F.M." is all stereo 10 hours each day, 6 A.M. to 10:00 P.M. heavy on sports and better music. Clear channel on 97.7, having an audience covering 110 miles. We had such an inquiry from Wisconsin the other day. Hope you much success with your hobby.
I am,

Respectfully,

G.B. Meyer, Pres.
