Mr. Ernest J. Wesolowski
11416 Pasadena Avenue
Omaha, Nebraska 68107

August 7, 1967

Dear Mr. Wesolowski,

Thank you for your report of reception of WCFL dated February 25, 1967.
It is unusual for us to hear from someone as far west as Nebraska because
most of our coverage area lies to the east of Chicago.

We would enjoy hearing from you again should you receive our signal.

Regards;

Phil Harper

Director of Engineering
