Mr. Ernest Wesolowski  
1416 Pasadena Avenue  
Omaha, Nebraska 68107

Dear Ernest:

This letter is verification of your report of reception for WINI on the date of February 26, 1979, from 12:35AM to 1:08AM.

WINI normally operates only until midnight (CT) but remained on the air throughout the night on the above date because of a severe winter storm in our area. (You, living in Nebraska, wouldn't know anything about snow and winter weather.)

Sorry we don't have a QSL card to send you; this letter will have to suffice. Thanks for listening and thanks for the report.

Very truly,

A handwritten signature in red ink that reads "Dale W. Adkins".

Dale Adkins  
General Manager & Technical Director

PS: I was in Omaha on February 5th for the Southern Illinois vs Creighton basketball game and I seem to remember some snow there, too!
