

WIRL

121 N. JEFFERSON ST. • PEORIA, ILL.

1290 ON YOUR DIAL • 5000 WATTS

Peoria, Ill.
April 16, 1963

Mr. Ernest J. Wesolowski
1416 Pasadena Ave.
Omaha 7, Nebraska

Dear Mr. Wesolowski:

This letter will serve to verify your DX report dated February 16, 1963. Your tape recording is being returned under separate cover. WIRL operates on a 1290 kc. Regional channel with a power of 5000 watts day and night. We are on the air 24 hours a day serving the Midwest area from Central Illinois.

Thank you very much for the reception report.

Very truly yours,

D. E. Reifsteck
