Dear Mr. Wesolowski,

We appreciate your correspondence stating that you heard our station in Omaha, at 6:14 PM on February 8, 1976. We are restricted to daytime hours broadcasting, therefore we were signing off at this time.

I am enclosing a rate card but do not have a current coverage map for you. We have recently changed our format to all news with the affiliation of NBC News and Information Service.

Please let us know in the event that you receive another transmission in the future.

Thankyou.

Sincerely,
