Dear Mr. Wesolowski,

Thank you for your reception report of WTCA's test transmission on December 9, 1974.

Sorry that you had all of the interference, however, your report is correct and so you can add WTCA to your list of confirmed stations.

Since we have no QSL cards please use this letter in its stead.

Lots of luck with your dx quest of Broadcasting Stations.

Sincerely yours,

Kenneth E. Kunze
