Dear Mr. Wesolowski:

This letter is to verify that you received KBUL at 7:44 PM EDT on September 21, 1975 and at 5:10 PM CST on December 27, 1975.

I am sorry for the delay in sending this verification. I received quite a number of reports this past summer and your original letter was misplaced. Since I am chief engineer for two stations and also do an air-shift, I don't have a lot of time to write letters, so I usually wait until I have several reports before I sit down to type. For that reason some people get their reports quicker than others.

I am also sorry that you had to go to so much trouble, but I do appreciate the signal reports.

You might like to receive the other American Media stations. They are: KEYN-FM in Wichita, KOFM(FM) in Oklahoma City, and KCSJ(AM) & KDJQ(FM) both in Pueblo, Colorado.

Thanks again for the reports and for your patience.

Sincerely,

Orin Friesen WAØKQW

Chief Engineer
