Dear Mr. Wesolowski,

Our Chief Engineer is recovering from injuries sustained in a plane accident, so I am answering your inquiry in his place.

Your reception of KCLO-AM on Dec. 2, 1971, from 5:00 PM to 5:01 PM (CST) was correct.

However, the name of the announcer on duty at that time was Larry Spurgeon, which may not have come across too clearly, and which you interpreted as "Mike Henderson".

Yours truly,

Shirley Pemberton
