Dear Mr. Wesolowski:

This letter confirms your reception of KFDI Radio between 8:55 and 9:10 p.m. C.S.T. Tuesday, August 20, 1963.

KFDI broadcasts with 10,000 watts of power non-directional on 1070 kilocycles. Enclosed is a coverage map showing the KFDI listening area.

I checked with our General Manager, Jim Treat, but he said we would be unable to confirm your reception report of KIRL Radio on December 27, 1961.

Thank you for your reception report and your interest in KFDI Radio.

Yours sincerely,
