Dear Mr. Wesolowski:

We wish to thank you for your fine report of the KFH-AM signal.

We note that we did not report on your first letter, we are sorry that we overlooked your letter. We always try to answer as soon as possible.

The logging of KFH programs on March 28/60, 3:02 to 3:19 AM is correct. We note the S-9, 5db over with interest.

Again we wish to thank you for your report.

73's,
