10,000 WATTS ◦ PHONE CL 1-3800 ◦ COFFEYVILLE, KANSAS

18 Feb. 1964

Mr. Ernest Wesolowski
Omaha, Nebraska

Dear Mr. Wesolowski:

This letter will confirm your reception of KGGF, 690 KCS, Coffeyville, Kansas on February 15th from 11:57pm until 12:00.

We are always happy to hear from DX people. KGGF is now in its 34th year of broadcasting. Our studios which rank with the most modern in Kansas are in downtown Coffeyville. The transmitter site is located 16 airline miles northeast of Coffeyville. We operate with 10,000 watts daytime and 5,000 watts at night. The primary signal covers 29 counties in Kansas, Oklahoma, Missouri and Arkansas. The programs are fed from our downtown studios to the transmitter by FM link.

I am sorry I am unable to send a coverage map at this time. Again thank you for your interesting letter and if you are ever in this part of the country drop in and visit us.

Sincerely,
Bob Mc Bride
