"Heart of the Nation Stations"

Geo. Basil Anderson, President

January 6, 1961

Dear Mr. Wesolowski,

Thank you very much for your report of February 2nd.

Our studios and transmitters are located just outside the western city limit of Newton, Kansas on highway #50.

Our tower is a guyed 243 foot non-directional element, with side mount F.M. antenna at the top.

Our frequency check is made by Commercial Radio Monitoring Co. monthly.

Enclosed please find coverage maps.

Sincerely,

Fred H. Langford Jr.
Chief engineer
