Ernest J. Wesolowski  
1416 Pasadena Avenue  
Omaha, Nebraska, 68107

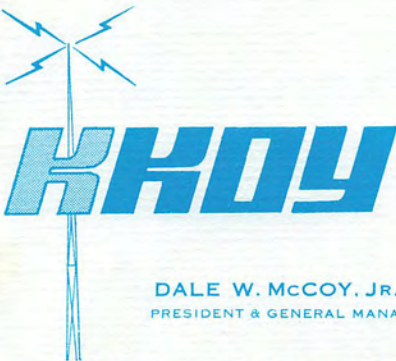

Dear Sir,

I received your reception report a few days ago and am surprised you were able to pick us up in Omaha. However, it was just at sunset so our signal would be starting to really get out there just before sign off. Your report of our programming is correct and this letter will verify your report of reception of our station.

Sincerely,

Al Diller
